Box.com folder creation request form

Introduction

In response to the Defender Automated Working Group (DAWG)'s request and the growing need for federal defender organizations and CJA panel attorneys to share and transfer electronic information within their own team, between defense teams and with experts, the National Litigation Support Team (NLST) has obtained web-hosted space from Box.com.

Once you have completed this form, someone from the NLST will be in contact with you to confirm the setup of your Box.com case folder and schedule a short session to show all those on your team how to navigate around the system, how to upload data, and how to download data.

If you have any questions about how to complete this form, please do not hesitate to contact us at Box@fd.org

Thank you.

Synopsis							
Chino to Alicia [Cross reference TT7 Session 2333] Chino asks if Alicia is hungover. Alicia says just a bit. Chino asks if Alicia had a good night. Alicia says yes. Chino says he fell asleep right away when he got home. Alicia and Chino have social conversation about what time they got home last night. Chino says he was not sure if Alicia was going to answer this early. Alicia says the guys (customers) usually begin to call around 8:30 or 9:00. Chino says he (Chino) has 9,500 right now but a guy (third party) still owes 5 bucks (possibly 500) and is going to pay Chino sometime during the week. Chino says he (Chino) gave him (third party) some of what is left (possibly narcotics) and only has a half of an ounce left. Chino says it is up to Alicia if he (Alicia) wants to give him more (possibly narcotics). Alicia says that is fine. Alicia says he (Alicia) will have this dude (Possibly Matt) pick up the paper and then his brother (Michael)
